

Schools Working with business

Gloucestershire
Education Business
Partnership

Why

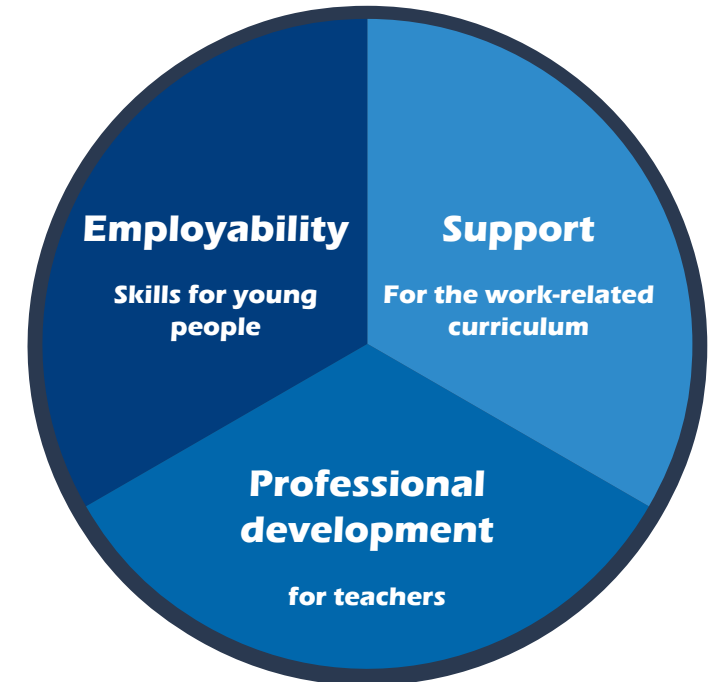

Why do schools work with business?

- For up-to-date and accurate careers information and advice for students
- To link classroom learning to business practice
- For students to become more confident, more aware and are more motivated to learn

What's on offer

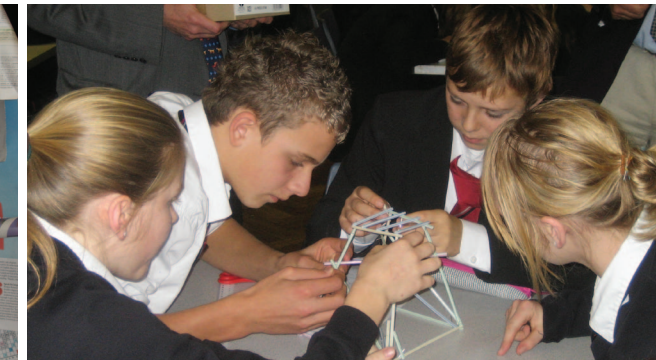

Sample products

- Mock Interviews
- Employability Skills Workshops
- Young Dragons
- Careers Programmes
- Mentoring
- Professional Development Placements (PDPs)

“Our students can now see the point of passing their GCSEs! It’s been great to see so many of our students gain in confidence after a mock interview.”
